"LET'S ALL GO"—1962 GANG SHOW OCTOBER 11-21

Units Prepare For New Boys From "Go Roundup"

Hundreds of unit leaders in the Chicago Area Council are preparing for an influx of new Scouts as a result of the 1962 "Go" Roundup, according to Roundup chairman General Lloyd M. Moses.

FOLLOW-UP PLAN

When the name of a potential Scout is received the Scout Service Center will forward it to the unit leader nearest the boy's home along with two photos of **Astronaut John Glenn** and an application to join the Scouts. A letter from **Col. Glenn** encouraging the non-Scout to join will accompany the photo.

Once a unit leader has received this information he should arrange for one of his Scouts to **deliver in person** the photo of **Col. Glenn** and invite the boy to join his Scout unit. One of the photos will be kept by the Scout who makes the contact.

In addition to the photos and the boy's application being sent to the unit leader, an additional enrollment form and return envelope for registering the new Scout, Cub or Explorer will be enclosed. As new boys are recruited the additional enrollment blanks, should be returned to the council Service Center where the unit leader will automatically receive a Scout Booster badge to be presented to the boy who recruited another boy into the Scouting program.

Kickoff Dinner Speaker

Featured speaker at the October 3rd "Together We Organize" Amphitheatre banquet, is **Dr. Walter Kerr** of Texas who has been cited for his work nationally in together plans. Attendance expectations are for 1500 adult friends of Scouting. During a fast-moving program of top-notch entertainment (Gang Show preview) every detail of Scouting will be explained to prospective sponsoring institutions. Serving will begin at 6:30 p.m. **promptly!** Gang Show entertainment (from a special stage) will start before serving ends to facilitate a timed schedule. Scores of people are involved in setting up this superb effort to provide protective shelter for the new units needed.

Cilella Promises Best Show Ever

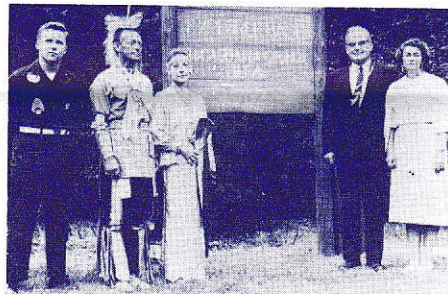

The 1962 Gang Show of the Chicago Area Council, a musical comedy which has been hailed by theatre critics as being on a par with some Broadway productions, opens its eight-day run on October 11 at the Morton Auditorium, 2400 S. Austin Avenue.

New Explorer Base at Wautoma Ready For Full Use

A ceremony of dedication, setting apart the Merriam property at Wautoma, Wisconsin for Chicago area Explorer activities, was witnessed Saturday afternoon, September 8th at the new base, by an estimated audience of 250. **Bryan S. Reid, Jr.**, Council President, paid high tribute to the donors, **Charles J. and Ethel Merriam**, who were present and who responded briefly.

Alden G. Barber, Scout Executive, expressed Council's gratitude to Mr and Mrs Merriam and spelled out a logical, comprehensive approach to the property's use by Explorers.

Participating on the rapidly moving program, were: **Douglas E. Hunt**, a member of Region Seven Executive Committee; the Reverend **Richard Gildseth**, Wautoma and **George J. Coogan**, Chairman, Explorer Cabinet, Chicago Area Council.

Donors **Ethel and Charles J. Merriam**, Explorer Cabinet Chairman **George Coogan** and pseudo Indians, **Fran and Harold Stroup**

Council Annual Dinner Set For January 26th

McCormick Place will again be the setting for the 1963 Annual Meeting and Scouter Recognition Dinner. The annual report of each Council committee's activities in 1962 as well as nominations and the election of officers for 1963 will be highlighted when the voting membership convenes at 3:00 p.m. **Saul L. Corush**, a member of the Executive Board, heads the committee on arrangements.

Some 125 Scouts will be taking part in the 22 fast stepping numbers and skits in the exciting 2½ hour show sponsored by the Chicago Area Council. **Ralph Reader**, who has been writing and producing Gang Shows since they were first conceived nearly 30 years ago in London, is personally directing the show.

Judge Alfred J. Cilella, chairman of the show committee, has been on hand for many of the rehearsals and promises that this year's show will be one of the greatest ever. The 16 piece orchestra led by **Robert Trendler**, musical director of WGN, is also preparing to make the full scale musical review an outstanding performance.

PERFORMANCES SCHEDULED

The schedule of performances are on October 11, 12, 13, 18, 19, 20 at 8:15 PM. On Saturday October 13 and 20 and Sunday October 14 and 21 the matinees take place at 2:15.

According to **Mr. Jack Peller**, chairman of ticket sales, all coupon holders are urged to exchange their coupons as soon as possible as the reserved seats for many of the performances are more than 80% sold. All indications are that nearly everyone of the 25,000 seats available for the performances will be nearly sold out by show time. One dollar coupons may be exchanged for reserved seats at the Chicago Area Council office, 9 W. Washington Street.

RECORD UNIT COMMISSIONS

With more than 80% of the coupons already distributed, a record number of unit commissions are expected to be paid to units who have sold coupons for the show this year. **Mr. Peller** reminded all unit leaders that the deadline for receiving the first 25% commission is Tuesday, October 9.

GIVE SCOUTING TO MORE BOYS

It is good to know that on August 31, we had 67 Institutions sponsoring 64 packs, 66 troops and 27 posts containing 1181 Cubs, 1071 Scouts, and 215 Explorers, making a total of 157 units with 2467 boys, but when we find out that we still have 107 institutions with no Scouting units we realize we must continually organize more units to give Scouting to more boys. These 107 institutions are being urged to have 5 persons at our October 3 dinner, and we need your help as an organizer to help us help them register their units by December 1.

"NEW BOYS IN OLD UNITS"

While the "Together Plan New Units Drive" seeks new boys in new units, our fall roundup urges all old units to recruit and register just as many new boys in your unit as possible by December 15. Each boy who brings in a boy receives a "Scout Booster Badge" when that new boy is registered, and your unit receives an A-OK Honor Banner for reaching its goal by December 15. Is your roundup card stating your new boy goal in yet? If not, send it in at once!

Let's take a closer look at the POW-WOW program

WHAT DOES A POW-WOW DO?

Most adult leaders in Cubbing feel a need for guidance in the program. The Pow-wow will have sections on themecraft, games, ceremonies, and pack administration. Each adult attending the Pow-wow will participate in which ever section can best help him or her in his own cubbing responsibilities. Each section is an action section. Whether it be learning and playing new

games, making themecraft items or putting on ceremonies, the adult leader will actually learn by doing.

In addition there will be exhibits from various packs showing their accomplishments in the many fields and themes of Cubbing so that adults from other packs can get ideas to use in their own Cub pack program.

THE POW-WOW HAS THE ANSWER TO "WHAT SHOULD WE DO AT OUR NEXT MEETING?" AND "HOW SHOULD WE DO IT."

ENTER THE PINWOOD DERBY!

Pinewood derby trials and run-offs will be held during the afternoon. Final heats will be run in the evening. Each pack should bring it's fastest pinewood derby racer which must be built to the specifications.

EXHIBITS

The National Supply Service will bring its biggest and best displays to be shown for the first time in the Chicago area. Included in this display will be a special section on Themecraft. Hundreds of unit displays will be highlighted,—so plan yours now!

NATIONAL DIRECTOR OF CUB SCOUTING

Bud Bennett, will be on hand all day to discuss the Cubbing program with you in your leisure time. As the evening speaker, he will also give everyone participating a preview of things to come in Cubbing.

THE POW WOW DINNER

At 6:00 PM more than 2,000 Adult Cubbers of the Chicago area will take part. (Cost of the dinner is included in the registration fee.)

Along the Scouting Trail

By ALDEN G. BARBER

The month of October will be a busy one for your Scout Executive and Council President. Bryan and Marian Reid will accompany Mitzi and me, as we visit the 25 Council districts to take part in "Fireside Chats."

The idea for these chats stemmed from our desire to meet all unit leaders in each district and to share thoughts and enthusiasm for our fine Scouting program.

If you are a unit leader, you'll be hearing about the chat that is scheduled for your district. Please make every effort to attend. We want to meet you and your wife and exchange ideas that are important to all of us.

The "Fireside Chats" will not always center around an actual fireside, but they will be flavored with the warmth and fellowship that characterizes good Scouting.

Your presence is important to the Reids and the Barbers! And to the thousands of boys who are Scouts whom we serve.

DANGER!

We have been informed by city police and health officials that many boys, perhaps some of your troop, are playing with a dangerous weapon. Several individuals have been seriously injured and lost vision in one or both eyes from pellets shot from a bean shooter. Please warn your Scouts about this danger.

IN MEMORIAM

We regret to announce the passing of Elbert T. Fretwell, Chief Scout and former Chief Scout Executive. We are sure that you will want to join us in mourning the death of this great man.

Editor's Note: Scouters and Friends of Scouting, who have grown accustomed to receiving a bright new COUNCILER twice each month will please come to attention, give the Scout sign and pledge allegiance to a monthly issue, dated each first Monday.

Eagle Court Of Honor Slated

Edward C. Logelin, Vice President, U.S. Steel Company and President of the Chicago Association of Commerce and Industry, will address parents and friends of approximately 100 Eagle Scouts at the Fall Eagle Scout Court of Honor, Sunday afternoon, November 4th at Steinmetz High School. To honor him, the Court is named for Mr. Logelin. Each unit will provide two color bearers. "It goes without saying that all interested in Scouting are invited," says Elmer Christell, Vice Chairman of the Council's Advancement Committee. Melvin Ellingsen, Chairman for this Court, added a helpful comment that "Steinmetz is two blocks south of Belmont and three blocks west of Austin."

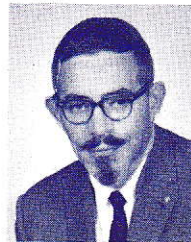

Eagle Courts of Honor are held semi-annually as public recognition to the young men who have earned Scouting's highest rank.

Do Your Best For America

Phase Three, of the Governor Kerner Achievement program, offers valuable points for Scout, Cub and Explorer advancement as well as Phase Four, covering unit summertime activities and earning 30 points toward the ultimate 110 needed, must be reported to obtain credit.

The 21-point program, incorporating a comprehensive check list of unit inspection, was begun in March of this year and will culminate in March, 1963, when Illinois Governor Otto Kerner, will serve as dinner host for unit leaders and their wives.
